

# FaceCam 2025R

Precise 2.0MP Night Vision Webcam

FaceCam 2025R is the latest precision 2.0MP webcam from Genius. It works with Windows 7, Mac 10.4.9 above, and Linux kernel 2.6.21 above. Enjoy video chatting with popular instant messaging applications like Skype, MSN, Google Talk, iChat, or use it in Facebook or a video-sharing website like YouTube. FaceCam 2025R has four Infrared LEDs which work great in the dark. And the new IPM\* function prevents your webcam from being hacked. For more information, contact your local sales representative today.

## Features:
